

High Frequency words- Reception.

By the end of reception, we aim for the children to be able to read all of these words independently.

The aim is also that they can write them accurately. The activities that they do at school and for homework are to help with the development of these skills.

However, please do feel free to invent games and activities that will give your child more practice with these skills. Having parents as partners is the key to helping your child achieve their full potential. 😊
