

A Year In The Forest

**The Seedlings
and
Eaton Class**

**Forest School
2019 - 2020**

Going On A Bear Hunt...

We welcomed new children and parents to our Forest School for a very special open day.

We're soggy and wet, but with
hot chocolate and a roof with
puddles on it, who cares?

Leaf identification and hunt followed by fun in the mud...

Mud.
Mud.
Mud.

Autumn Camp

How many acorns can you
balance on your chair?

Who can make the best
house for Laura the Lion and
Derek the Dragon?

Clear skies and cold weather...
time for some ice investigations!

**Mud milkshake
anyone... anyone?!**

Christmas In The Forest

Spring arrives and so
does the sunshine...

I'm Stickman, I'm Stickman, I'm Stickman... that's me!

Best restaurant...

...in Saughton!

Hide and Seek

Thank you for being part of our first year in The Forest...
see you in September!
