

A Year In The Forest

**Cavendish Class
Forest School
2019 - 2020**

As the eldest children in the school, Cavendish Class were tasked with doing a lot of the work required to get Saughton Forest School ready for whole-school use.

Making our own kindling using
an axe and a mallet.

Autumn Camp

After laying the Forest School wreath on Armistice Day, we put ourselves in the soldier's shoes, imagined we were in enemy territory, and made shelters to keep us dry and warm.

An introduction to saw use as we start to make our Forest School snowmen!

Christmas In The Forest preparations

Pop-up
theatre!

Indoor; outdoor.

Christmas tree recycling

Bird box installation

Den building

Thank you for helping set up our Forest School.

It is a part of Saughton School which will last for years;
but it will create memories that will last forever.

May The Forest be with you...
