

Did you know we have a Pre-School?
Saighton Church of England
Primary School and Pre-School

Saighton Church of England Primary School and Pre-School is proud to be a church Voluntary Aided primary school in the village of Saughton; part of the conservation village of the same name, on the Grosvenor Estate. As a Church of England Primary School and Pre-School, our Christian values underpin everything we do and we live out our school vision of "Flourishing together, life in all its fullness." (John 10:10) We believe our school is an exciting place to be and we aim to send your child home each day full of enthusiasm and to foster a lifelong love of learning. We want your children to get the best possible start in life and we look forward to working in partnership with you, inspiring confident learners who will thrive in an ever-changing world.
Mrs Sue Dawson- Headteacher

Welcome to Pre-School

We offer a high-quality Early Years setting as part of our Primary School, which provides education for children aged from three years. Children will learn and play in a well-structured environment which supports a positive transition to their Reception Year.

If you would like to come for a visit to our school and pre-school or would like to bring your child for a stay and play session to meet the EYFS team, please do not hesitate to get in touch:

Day-to-Day in Pre-School

Literacy:

We follow a book-based curriculum in EYFS at Saughton. Books are selected based on current themes, topics, events or children's interests.

Phonics:

We use the scheme "Essential Letters and Sounds" to deliver our teaching. Essential Letters and Sounds is a Systematic Synthetic Phonics programme, validated by the Department for Education and is taught across both EYFS and KS1.

Maths:

Our Reception children follow the White Rose Maths scheme of work and Pre-School children follow a similar style of learning based on its principles. When exploring Maths at Saighton, we encourage a love of pattern, colour, counting and investigation. Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically.

Pre-School Information

Our Pre-School operating hours are Monday to Friday 9am to 3pm. We always offer flexible booking patterns and a range of funding options, including 3-5 year olds government's funded childcare, this is located on the Government Website- www.gov.uk/help-withchildcare-costs
